International Facility Management Association

# June 9, 2021 Member Meeting
# Workspace Concepts in a Post-Covid World – A Panel Discussion

**Mark Adams**

*Mark Adams is Vice President and Workplace Studio Leader for Interior Architecture in the Phoenix Office of SmithGroup. With more than 30 years of industry experience, he has led projects as Principal-in-Charge, program and project manager as well as principal designer. He is well-versed in all aspects of design and has significant experience in leading large-scale programming efforts while supervising staff to ensure the success of client objectives.*

*He is an award winning designer who has contributed his expertise as a presenter at Tradeline, CoreNet, IFMA, and NeoCon Conferences, additional national venues and as an editor to the AIA's Architects Handbook of Professional Practice.*

**Arnold Levin**

*Arnold Levin is a Regional Strategy Practice Area Leader with Gensler(www.gensler.com). With over 45 years' experience in design strategy, organizational design, feasibility planning, workplace design, and design research, he has worked with a wide range of clients globally. This diverse range covers government and private sector organizations including GSA (US Department of Commerce, US Parks Service and US Department of Agriculture), LA County Government, Weil Gotshal & Manges, Bloomberg, Caterpillar, the Bill & Melinda Gates Foundation, Cadwalader Wickersham & Taft, Microsoft, Capital One and Morrison & Foerster. Arnold has worked with clients throughout the US, the UK and Asia. He is a frequent speaker at Corenet, Neocon and IFMA World Workplace conferences in both the US and Europe. With an undergraduate degree in design, Arnold went on to complete an MBA in Design Management and an M.Phil. in Organizational Design. His research on organizational design, design strategy and workplace has been published in the Journal of Facilities Management, Journal of Design Management and WorkDesign.*

**Mark Pryor**

*Mark Pryor serves as a Regional Vice President of Sales Leadership for Vari, the workspace innovation company that offers flexible furniture solutions to create workspaces that elevate people.*

*Hailing from Parsippany, New Jersey, Mark joined Vari in March 2019. Since joining the Vari team, Mark has helped open our first showrooms outside HQ as well as building the B2B salesforce in the Western US and South Texas regions. Prior to joining Vari, he worked for Humanscale as their Global Sales Director. He has over 20 years of experience in the furniture industry with a focus on sales team building and training. This includes developing curriculum and training materials as well as global sales team account growth and management. A graduate of Stockton University in New Jersey, Mark enjoys outdoor activities and adventures. He and his wife have a son (Maxwell) and daughter (Lucy). Together as a family, they enjoy hiking, going on road trips and are all avid skiers.*
